

January 2023 thru March 2023

Date & Time	Upcoming Training	Time	Location
-------------	-------------------	------	----------

Tuesday, January 31, 2023	SIDS	6:30-8:30	Carteret PFC
---------------------------	------	-----------	--------------

Thursday February 9, 2023	Reality Bites	6:30-8:00	Carteret PFC
---------------------------	---------------	-----------	--------------

This training will examine the development nature of biting. It will look at the effects it has on the victims, families and staff. Teachers will discuss and develop an approach to biting in the classroom

Tuesday February 21, 2023	ECERS Recap	6:30-8:00	Carteret PFC
---------------------------	-------------	-----------	--------------

This training is designed to help participants increase their understanding of the Early Childhood Environment Rating Scale-Revised Edition. After completing this course participants will further understand the format of the rating scale, how to score items, and how using the scale will increase the quality of care provided to the children in their classroom.

Thursday March 2, 2023 and Tuesday March 7, 2023	NC Early Learning Standards: Foundations	6:30-8:30	Carteret PFC
---	--	-----------	--------------

This Foundations course will provide participants with an introduction to the document North Carolina Foundations for Early Learning and Development. Participants will use the book to learn about the standards, how they are structured, and how to implement them in early childhood settings. Participants will construct the knowledge base necessary to use the standards in supporting children in their learning and development by embedding the standards in daily classroom planning and practice

Tuesday March 14, 2023
