### Foundations Early Learning Standards Tuesday September 4th and Tuesday September 11th 6 pm-8:30 pm \$15.

This course combines the previous Foundations documents (the 2005 Foundations: Early Learning Standards for North Carolina Preschoolers and the 2007 Infant Toddler Foundations: Guidelines for Development and Learning for North Carolina's Infants and Toddlers.) After completing this course, participants will better understand Foundations as it spans birth to age 5 and the goals, developmental indicators, and strategies in five developmental domains and how to incorporate them into your lesson plans. Participants will engage in large and small group activities and group discussion.

Wellness Fair: Saturday September 29, 2018. 8:30-1:00 Well being, a complete state of physical, mental, and social well being and not merely the absence of disease or infirmity. This training will take place at the Health Department in a very interesting way. There will be host of tables and representatives that will be there for you, demonstrate products, give a ways and things you can do to experience a higher quality of life. How they can make you feel more like the younger you. It is all about you because if you are feeling bad then your children will feel bad. Wow... I know we don't want the children to feel bad. Then a short presentation on stress by Dr. Gwen Roberts. Training Hours will be awarded along with lunch.

We have some awesome and interesting people coming just for you, please tried to make the effort.. Registration and snacks 8:30 am
