

## **Attendance Policy**

If you miss more than two times per month, you will be asked to get prior approval or provide documentation for the absence. Not complying with the attendance policy will result in dismissal from the program, thus, allowing a child from the waiting list to participate.

## **Program Reminders**

- We do not have regular preschool classes during fieldtrip weeks.
- If Carteret County Schools are cancelled due to weather, we cancel all classes for that day. If Carteret County Schools are delayed, then a decision will be made regarding classes by 9am and posted on our Facebook page.
- Many of the toys and activities around the Story Explorers preschool classroom contain small parts. Please supervise your children! This also goes for any children who may have food allergies. Parents are responsible for making sure any food/snacks/activities do not contain any harmful products.
